The Committee on Teachers Make
Selections for the Colored Schools
The Question of District Assignments of Papils—MeetIng To-Morrow.

The committee on teachers held an examination yesterday in the Court street schools of applicants for the vacancies in the colored schools, and the following, receiving the subject averages, were assigned, by the superintendent, as follows: J. T. Turner to Winchester street school. Mrs. Florence P. Cooper and Mrs. Faunic E. Bacon, to Monroe street school. The committee on rules issued orders to principals several days ago to exclude all pupils outside of their school districts. As this action, in the midst of the session, is considered untimely, a called meeting of the board of education will be held to morrow morning at half-past nine o'clock for the purpose of blazing a way out of the difficulty.

The committee on Teachers Make Selections at the works and various estimates and the result was my positive conviction that the water can be result was my positive conviction that the water can be made fully satisfactory.

some for remaining as they are, a mere colcay. The latter, whom I may term political ostriches, are possibly at the moment in a majority—not because they have fixed views on the subject, but from never having considered the matter at all. Confederation of the empire sounds well, but the question of a great imperial parliament, with representatives from every part of the globe, if not impracticable, is too large to enter upon near the close of a letter. As for annexation, I expect it has more adherents than even its advocates imagine. I cannot say that it is to be desired, except under certain defined conditions; but it is quite remarkable how few Canadians—when the matter is discussed in private conversation—see anything to object to in the iden."

sixth, 0; seventh, 2; eighth, 2; ninth, 1; tenth, 7. Still born, 0. White, 2. Colored, More of the Montana Disaster. LONDON, March 13 .- Seventy of the paschannel, reached Liverpool in a tug. The following is a passenger's account of the dissollowing is a passenger's account of the dis-aster: The night was beautifully clear until midnight, when the fog rose. At half-past three, when the Montana struck, the cap-tain and second officer were on the bridge; striking with a heavy grating sound, the saloon passengers were aroused. Dr. Gard-ner ran on deck and was told by I can convince the captain to arouse the passengers.
Wolf river the the boats were at once got out. There

the most skeptical that not only is wolf river the best source within our reach, but, when filtered, one off the purest water-supplies in the Union. But you say there is doubt as to whether the effort to clear it will be made. During my two or three months canvass of the question I discussed it with one or two dozen of our citizens, with the view of getting them interested in the purchase, but always providing that I should be satisfied as to clearing, the water I am fully committed to it. Not only so, but what is more, I am sure the enterprise cannot be a success financially until that is done. To pay, the water must be popularized, and this can be done only by greatly improving it.

THE WORK SOON TO COMMENCE

Reporter—This will indeed good news to our people when may they expect this salutary changes?

Judge Latham—As soon as reasonable possible and our interest will be promoted as I am that our interest will be promoted as I am that our interest will be unreasonable as to time I is an undertaking of very large proportions. They must consider the condition in which we find matters and the condition in which we find matters and those and protect the supervisors of elections of the find of the passengers. The captain to a rock and such policy was not the slight panic. The captain to the passengers if they quietly obeyed orders all would be right. Six females, with the charact, with the placed in one boat, and six males in another, with the fourth officer. These were pulled to the first of the captain to a such places of registration and fraudulent voting thereat, or fraudulent conduct on the part of any officer series and such places in another, with the fourth officer. These were pulled to the first of the fourth officer. These were pulled to the passengers.

Begotre—This will indeed good news to our people must not be unreasonable possible and our interest will be promoted as a transfer of the first our places of the condition in which we find matter than the place of registration or policy of the passengers.

Mr. Bayard Proposes to Have Them Amended According to a Sugges-tion Made by President Washin ton special to the New York

Herald: The Federal election laws having
been declared constitutional and the Democrats being of the opinion that these laws
are oppressive and capable of being very
greatly misused by the party having their
execution, it would now seem to be their
duty if they are right to undertake their
amendment. They were plainly invited to
this course by the following passage in the
President's veto message on the twenty-ninth
of last May. The President said:

Any oppression, any partisan partiality which experfence may have shown in the workings of existing law may well engage the careful attention both
of congress and the executive in their respective

The services were performed by Rev. Dr.
Freudenthal. The friends of Mr. Daltroff in
this city send their greetings to the bride and
groom.

To more we night at the Theater the
Evangeline troupe will appear. The veteran
manager Gus Pennoyer is at present in our
city making arrangements for the appearance of his people. "Gus" is known far and
wide, and has been a tavorito with Memphis
people since, several years ago, he managed
the Memphis Theater in a manner most commendable. What Gus Pennoyer does not
know about theatrical and dramatic management is hardly worth knowing.

Mr. Bayard has apparently determined to to take the President at his word. He introduced to day a bill to amen's section 22 of rant and due process of law, and which cer-

tainly gives very great powers to irresponsi-ble men. The following is the section as it now stands:

For the words "with or without process,"
Mr. Bayard's bill substitutes the words "only
with due legal process," and all after the
words "laws of the United States" is struck

THE STRONGEST MAN Now Living - The Hercules of Reno Nevada - Extraordinary Feats of Remarkable Powers.

San Francisco Chronicle: "The strongest man in the world at the present time, so far f suspicing of the council; I must confess satisfied by what he saw that he is really all of the council; on the seventeenth of November | laborer; habits, temperate, though he has malt liquors and the light wives of his country. In personal appearance he is not remarkable; merely a good-natured looking son of Italia, with a orbad, heavy face, and large fleshy hands. His strength was born with him, for he has had no athletic training. When 'stripped to the buff,' however to the Seine. These documents were sewn in his trousers lining, and were handed over to the Russian embassy, who forwarded them son of Italia, with a orbad, heavy face, and large fleshy hands. His strength was born with him, for he has had no athletic training. When 'stripped to the buff,' however to the Seine. These documents were sewn in his trousers lining, and were handed over to the Russian embassy, who forwarded them son of Italia, with a broad, heavy face, and large fleshy hands. His strength was born with him, for he has had no athletic training. When 'stripped to the buff,' however to the Seine. These documents were sewn in his trousers lining, and were handed over to the Russian embassy, who forwarded them to the St. Petersburg detectives. Though he is not a man the reporter with an exhibition of strength. which proved to be such an astonishing exhibition of lifting power as scarcely to be believed. The reporter, whose weight is one hundred and eighty pounds, stood with one foot on the floor and arms ontatretching, his hands being lightly grasped by two friends, one on each side, to preserve the balance of his body. The slight assistance, however,

had no tendency to raise his body, being to keep him from toppling over. Cardela then stooped down and placed the third finter, were attached and the manager of the company compelled to secure bail in the sum of six thousand dollars. Manager M'Vicker states that he had a contract with this company for an engagement here covering the same period as the Haverly engagement, and claims three thousand dollars damages for a violation of the contract. and then grasped the reporter's ankles with both hands, raised him above his head and the beligerents; but her neutrality might be doubtful in the event of a war between Germany, France, and perhaps Russia, in which case it would probably he deemed necessary "to set all doubts at rest by decisive action."

Enlant the South.

Enlant the South ought to have it. Each their dectiny is bound up with the American cop, of which the following is its analysis: "Taken altogether the estimate is a safe one that the increased yield in the eleven States are one thousand miles off. The imperial government has for years done what it could to many in the eleven States are one thousand miles off. The imperial government has for years done what it could to who is their respected governor-general, and the accomplished and highly placed lady who is their respected governor-general, and the accomplished and highly placed lady who is their respected governor-general, and the accomplished and highly placed lady who is the irrespected governor-general, and the south is highly in the accomplished and highly placed lady who is the interest Crop.

Leubrie's Theater

will be the attraction Thursday night, Mac-beth Friday, and Deborah at the Saturday matinee. The supporting company is strong in every essential point, and this offers a fine foil to Janauschek, whose dramatic talents are recognized the world over. As "Lady Macbeth," "Mary Stuart" and "Deborah," she has no superior on the stage. The sale of seats for the engagement will commence Tuesday, at Hollenberg's.

O STATE OF THE PARTY OF THE PAR than twenty years. The "RECORD" Pen is produced by a skillful combination of the two precious and non-corrosive metals; 16 kr. Gold and Platinum, while the ordinary gold pen contains as alloy of copper, reducing its fineness with out yielding that elasticity, density and steel like temper which the costly Platinum supplies. The "RECORD" Gold Pen Points are of the best treatment, and polished to glass like amoothness.

Steel pen writers have now every ebjection to gold fairly overcome, and every requirement in a Pen which will endure and not oxidize, squarely met. The "RECORD" Gold Pen is guaranteed to possess Durability, Permanency of Spring and Perfection of Point. Price, \$2.50, sold by all Jewelers and Stationers in the United States. If not found order direct from JOHN HOLLAND, Manufacturer, 19 W. 4th St., Cincinnati.
